

Tools to Help Conserve Birds in New Mexico

1. **NM Avian Conservation Partners:** <http://avianconservationpartners-nm.org/>
 - a. Species assessments
 - b. Priority species accounts (natural history, management, and other information)
 - c. Listserv providing bird conservation information in New Mexico

2. **North American Bird Conservation Initiative (NABCI):** <http://nabci-us.org/>
 - a. State of the Birds reports
 - b. All-Bird Bulletin (bi-annual publication)

3. **Partners in Flight:** <https://www.partnersinflight.org/>
 - a. Landbird Conservation Plan
 - b. Half-life research
 - c. Technical publications

4. **Partners in Flight Western Working Group:** <http://www.wwgpiif.org/>
 - a. Listserv providing relevant information for bird conservation in the west
 - b. Links and publications regarding bird conservation

5. **Partners in Flight Population Estimates Database:** <http://pif.birdconservancy.org/PopEstimates/>
 - a. Population estimates for individual bird species in Bird Conservation Regions and individual states

6. **The Waterbird Society:** <https://waterbirds.org/>
 - a. Waterbird Conservation for the Americas plan
 - b. Grant funding opportunities

7. **North American Waterfowl Conservation Plan:** <https://nawmp.org/>
 - a. Comprehensive waterfowl conservation information

8. **International Union for the Conservation of Nature (IUCN) Red List:** <https://www.iucnredlist.org/>
 - a. Species assessments and information

9. **ebird:** www.ebird.org
 - a. Submit bird sightings to help with science and conservation
 - b. Abundance maps
 - c. Habitat association charts
 - d. Range maps
 - e. Population trend maps

10. **USGS Breeding Bird Survey:** <https://www.pwrc.usgs.gov/bbs/>
 - a. Population trend information
 - b. Population trend maps
 - c. Abundance maps

11. **Avian Knowledge Network:** <http://www.avianknowledge.net/>
 - a. Data sharing site; southwest node coming soon

12. **Audubon Climate Report:** <http://climate.audubon.org/>
 - a. Species assessments
 - b. Maps of potential range changes for climate threatened species

13. **Audubon Christmas Bird County Summary:** <https://www.mbr-pwrc.usgs.gov/bbs/htm96/cbc622/all.html>
 - a. Winter abundance maps for numerous species
 - b. Christmas Bird Count data analysis
 - c. Christmas Bird Count publications

14. **U.S. Fish and Wildlife Service Migratory Birds:** <https://www.fws.gov/birds/index.php>
 - a. Birds of Conservation Concern list

- b. Grant Funding Opportunities
- c. Focal species conservation plans

15. U.S. Fish and Wildlife Service Ecological Services:

<https://www.fws.gov/angered/>

- a. Information regarding federally listed species

16. U.S. Fish and Wildlife Service IPAC Site: <https://ecos.fws.gov/ipac/>

- a. Interactive site for environmental review and consultation; map a project location and evaluate potential impacts to listed species, critical habitats, and migratory birds

17. Natural Heritage New Mexico: <https://nhnm.unm.edu/>

- a. Bird research reports
- b. NM Conservation Information System
- c. NM Environmental Review Tool

18. Playa Lakes Joint Venture: <http://pljv.org/>

- a. Playa and grassland conservation information
- b. Grant funding opportunities

19. Intermountain West Joint Venture: <https://iwjv.org/>

- a. Information regarding wetland conservation in NM

20. NM Game and Fish Share with Wildlife Grants:

<http://www.wildlife.state.nm.us/conservation/share-with-wildlife/>

- a. Small grants for wildlife research and habitat management

21. NM Game and Fish Habitat Stamp Program:

<http://www.wildlife.state.nm.us/conservation/habitat-stamp/>

- a. Funding for habitat improvement projects on federal lands

22. Natural Heritage New Mexico/NM Department of Game and Fish Biota Information System of New Mexico (BISON-M): <http://bison-m.org/>

- a. Species accounts, county reports, and queries
